## Descripciones

Bendis yacht Cheoy Lee offers an unrivalled combination of style and performance, a truly unique opportunity to own a rare vessel from the Bravo series. Launched by the Chinese shipyard Cheoy Lee in 2008, she has always been meticulously maintained and upgraded to perfection by her sole owner since new. Her 2019 refit includes the replacement of teak on swim-platform, the full service of A/C system, the replacement of all batteries and the antifouling painting, to name a few.

Her layout has been cleverly designed to maximize space, with a contemporary and elegant interior featuring a relaxing salon area in a neutral colour palette, a marble bar with cherry wood columns and a large cinema flat screen TV. The dining area boasts a circular wooden table and seating for 8 with an elaborate hand-painted fresco above.

Bendis can comfortably accommodate up to 8 guests, with 4 airy and spacious cabins, all with en-suite bath/shower rooms. The master stateroom is located on the main deck with window view on both sides, whilst a full beam VIP cabin is on the lower deck. Master and VIP cabins have an additional bathtub, with a built-in Jacuzzi.

The well-designed deck space gives maximum comfort and flexibility for guests, offering ample space for cooling off, al-fresco dining and sunbathing. The inviting Jacuzzi on deck is just perfect to relax and enjoy the surroundings.
